1601 Wallace Dr
Carrollton, TX 75006

At **GIS WHOLESALE**, we are committed to providing our customers with the most versatile and high-quality hand tools on the market. We offer a wide range of premium hand tool brands too meet even the most rigorous construction and repair needs. From HVAC tool suppliers to leading manufacturers like Snap-On, we've got you covered!

As a leading distributor of industrial, and safety products, we serve a wide variety of customers. Our solutions are relied upon by manufacturers, warehouses, metalworking facilities, B2B wholesale, everyday customers, and many more. Our extensive inventory also allows us to cater to industries such as powersports and hardware retailers.

We are dedicated to maintaining our position as a trusted and reliable source for all of our customers' industrial and safety needs. With our comprehensive selection of high-quality hand tools and supplies, we are confident that we can help you find the right products to meet your specific requirements.

At GIS Wholesale, our customers choose us for a number of reasons. We take pride in our exceptional customer service and quick shipping, which has helped us build a loyal and satisfied customer base. Our product offerings include tools and auto parts from renowned and trusted brands, as well as a wide range of equipment for linemen and iron workers. Additionally, we offer specialty tools designed for HVAC, sheet metal, tubing, telecommunications, and a variety of multi-purpose applications.

At GIS Wholesale, we carry series of tools that are specifically designed to meet the needs of professional tradespeople in the concrete, asphalt, drywall, and flooring industries. Our line of hand tools includes precision-made trowels, runners, and everything else needed for placing and finishing concrete to the highest standards.

At GIS Wholesale, we take pride in our rapid growth and our journey towards becoming a leading distributor in the U.S. Our success is attributed to the support and trust of our team members, dealers, and manufacturers, and we are committed to providing excellent service to them.

We have multiple warehouse locations strategically located that enable us to offer a wide range of services such as our dropship program. Our sales team supports our dealers and jobbers by testing the quality of new products before offering them. Our low-price offerings ensure maximum profitability for our dealers and their customers, and our dedicated employees prioritize delivering excellent customer service to our local
